Dear Credit Card Donor,

Thank you for your generous donation pledge! The organization through whom we process our credit card donations, CanadaHelps.org, requires that we have the enclosed form filled out and signed by the credit card holder before we can use their service, which is substantially more cost effective than other options available to us at this time.

While this may seem bothersome, it is for the protection of all parties involved, yourself included. Please take the time to read over the agreement below and sign/return it to us at the above address, and we will be happy to process your donation. If you prefer, you can make a credit card donation yourself through the CanadaHelps website, just go to donatebibles.net, and then don't worry about returning the form to us.

Thank you so much for your time and your interest in Canadian LifeLight Ministries! God bless you in your ministry!

Sincerely,

Tamara Craig
Controller, CLLM
